It is with a very heavy heart and the sincerest of condolences that Sylvan and I share your grief today. Bud was a wonderful person and we have such fond memories from the times we spent together. He was kind, compassionate, witty and generous in so many ways and always made everyone around him feel so special. The loss of a spouse is such a profound loss. We can only imagine your grief. If it is any consolation, we share your pain immensely. I know that you will find the strength to get through this very sad and difficult time. Knowing that your family and friends are here for you will hopefully be of solace to you. Please remember that not even death can ever erase the memories God has made. Love, Pat and Sylvan
