You could light up a room with your smile. You have been here by my side since I was born. I remember coming over to your house just to have your FAMOUS GRILLED CHEESE sandwich and watch wheel of fortune with you. You have helped me through thick and thin. Coming over just to sleep on your couch and spend time with you has now come to an end for it makes me very sad and I still sit here not knowing what to think or do, but I know you are in a Great place and you are no longer hurting or suffering and you have now joined Papa and the others in our family. I love you to the moon and back Granny! You will always remain in my heart and I know you are looking down on me. Love Always, Your grand-daughter, Holly
