My condolences. I only knew Dana through his presence on the ThereminWorld.com forums, but his contributions there were always a delight to read and I will miss them. May his journey into the aether be filled with light.

Some of my fondest memories as a child include my Uncle Dana. I will always remember he and my Dad playing guitar and singing - probably old Johnny Cash tunes - with all of us cousins singing along. Uncle Dana, you will be missed! Love, Your nephew Ron
