I never had the wonderful privilege of meeting Aimee in person. It just hurts me terribly to hear of this. I met Aimee on Google . She always had something great and positive to say, and a fantastic recipe to share. I yearn for the day when we will see Aimee again, here on the earth under a restored paradise. When no one will say "I am sick" Isaiah 33:24. Hold on to the hope that our creator is Love, and he too hates death and views it as an enemy 1 Corinthians 15:26. Please read John 5:28, 29 and Revelation 21:4. Soon God will conquer death forever and he will undo death by resurrecting all of our loved ones for us to live with them again here on the earth. Job 14:14,15. This is the only true hope that I can share with everyone who had the grand privilege of loving Aimee.
