I meant Betty some years ago when I was camping in South Carolina and I always remember my husband and I were having a hard time cooking breakfast we weren't too experienced. And all the sudden we were invited to coffee and breakfast it was Betty and Lee camping near us for the next oh many many years every holiday throughout the years I received a card from Betty and Lee with a wonderful letter then at one point the letter became address just from Betty. Many years have went by I moved away and never did take Betty and lay up on their offer to come stay with them at their home in Florida they had two of them. Anyway just a memory they were two of the most kind people I've ever met. Bless her heart and bless her family. I'm just learning of her passing today. Rest in peace Betty and Ali signed Lorna small one

Diana Richmond lit a candle in honor of Bettye Coven Lynch.

On behalf of our neighbors and Bingo friends from El Red Manor we would like to express our condolences to the family. The memory I would like to share is that Ms. Betty would arrive on Monday evenings to our clubhouse to play Bingo. (Which she love playing Bingo dearly) She would bring some of treat, whether it would be a cake, brownies, cookies or candy to share with everyone. We all would praise her on the baked goodies and that would bring such a sweet smile to her face. She will truly be missed. Diana Richmond & Friends from El Red Manor
