Some of my fondest memories are of my aunt Pat and uncle Jim, Jeff, Mike and Lorna. Our family has grown distant through the years but you all have been and always will be very close to my heart.

My fondest memories shared with my sister and father were the silly jokes and laughing till we cried. In later years Pat & myself enjoyed the art of quilting and loved to share new ideas. You my dear sister will be loved and missed always!

So very sorry for your loss, I never had the pleasure of meeting Pat in person but felt a kinship with her through the shared love of crafts...I am the proud and privileged owner of some of Pats beautiful creations which I will treasure forever. May everyone hold Pat in their hearts and memories and love each other as she loved you and may God hold you all in the palm of His loving hands. Again so very sorry.
