Tiger Currin posted:

No one else could have ever been my oldest brother. He always had my back, especially on road patrol in the 1980s at PPD. Vance has left a wonderful legacy in his 4 beautiful children and grandchildren. I am so proud of them all. My heart is thankful to the Thin Blue Line that has shown their support. We have ALL lost a brother. He will be missed, but never forgotten... I will see you at roll call in Heaven, Day shift, weekends off...

He was an inspiration to me. I learned that a cop could be kind, compassionate and caring without being weak. He was the best of us.

We will always remember Vance's boundless energy. He was so proud of his children and spoke of them often. Most of all we will remember how happy he made Carla, and the strong bond of love they shared together. RIP Vance, you were a wonderful and kind man who will be missed by many. To Carla and family ~ You were so very blessed by the wonderful marriage you and Vance shared! You were the perfect couple and such a beautiful example of true love for the rest of us.....the kind of love that God intended! I wish we could be there for his service, but please know that our love and thoughts and prayers will be there with you! He was a fine, loving Christian man who will be profoundly missed on this side, and profoundly blessed on the other side!
