Dear Georgia, we have known you as Porkey and have never figured that out. I just want to say that you will be missed. You have had alot of struggles throughout your young life but I believe it made you a stronger person at the end. You were a great mother, loving sister-in law and a friend to many. Mark, Ronnie, Eddie & James, please know you are all in our hearts while you go through this loss. I remember you boys at a very young age and I want you to know your mom was so proud of each and every one of you. She held it together through many years of hardship and you need to always know you meant the world to her.

Dear Georgia, to share last words is difficult, but I will attempt to do so. I just want you to know that I love you and thank you for all that you did for all of our family here. I am going to miss you so much and I cannot believe this has happened, but God is the ruler of our destiny....I am so glad that you and your family have been well and you had a chance to see all of your grandchildren...that was the fullness of life and the wonder of the full circle. The grace of God is a wonderful thing and in every way He is great...I know that you are with Christ today and my soul is glad....His mercy is enduring and there is none like Him...He is Almighty and today...you are resting in Him....that is the beauty of the next life....thank you sister for being one and an aunt to my son...and all our children....but most of all the best daughter that a mother could want to love her.....because your love was true.....we love you....miss you and are honored to have known you and had you in our lives. Rest in peace under the grace and mercy of the Lord Jesus Christ.....Your sister in life and in Christ.....I love you...and goodbye.....
