On this day we lost a Dad a husband and a precious soul to us all. It's so hard to say goodbye to someone that u love so much. But you know that God is holding him in his arms and is taking care of him as he did us in his life. You will be missed by all who knew and loved you. We were at a fifties dance and I remember Carol and Jim coming into the dance dress in fifties outfits. You both looked like you were meant for each other, they way you looked at each other and the way you danced reminded all of us as to how it really was when we were young and in love.

So sorry about Jim; enjoyed many happy times with him and Carol, both in NC and FL. Enjoyed teasing him on the rare occasion I could beat him at shuffling! Dona Maxon, Wadsworth, OH
