So sad to hear of dear Randee's passing, may God have mercy ! I work with Randee at Bird Road Animal Hospital in the late 1970's and caught up with her again in the mid-1990's one day in Publix on Miller Dr. We exchanged numbers but I lost hers & she never called me so we lost touch once again. Always with a smile and something nice to say to everyone, she never failed to look at things as half full, rather than half empty. She was also a very straightforward person....no BS'ing with her. One of her most redeeming qualities. May you rest in peace Randee. My best to you my friend.

Even though I knew this day was coming, I struggle to say good-bye. You meant the world to me and were part of a family that just accepted me. I loved your spirit for life and I loved how you cared about so many people and made them feel special. It seems like yesterday we were just sitting at TooJay's and you were sharing that Cancer had come back. I'm at a loss for words. I think of all the little things around our house that remind me of you. I think of all the animals that are better off because of you. I think of the times you helped care for our cats when we were away. You are missed Randee, but the things you did for me, Jeff, and others will never be forgotten. There's just no easy way to say goodbye.

Marc, There are no words that can be said that will convey the sorrow that is felt in learning of your loss. We can and do pray that God will bring Peace and Understanding to you and your family and Randee's family. Cherish the memories of the time you two had here on earth, and know that we all will meet again in the House of Our Lord. May Randee Rest in Eternal Peace free from pain and torment. God has a new Angel to watch over you. God Bless. Dennis and Debbie Andrews
