Carol, can't tell how much you've all been on my mind and in my prayers. Mac left such an impression on everyone he knew. Most recently, as his hair stylist, he always had so much to say. He never was at a lost for words! So easy to converse with! One thing was always on his mind though, every hair cut, he never failed to mention your Granddaughter and the heaviness he felt in his heart for missing her. He also never failed to tell of some cute thing Keaton did that week. I know he is looking out for you, and everyone he loved. He is probably showing all his magic tricks to all the angels. I wish there was something I could say to comfort you.. Just that we all here to support you and hope that time will help you go forward. Love and prayers to you, Pat Devore

Mack was my great uncle and going to his and aunt Carole's house for independence day was always so awesome. We would all load up in the car and make the drive from Kentucky. Their place was always so alive and magical! Tons of food and great people and he was always so hilarious! Every time I think of his little wallet I don't know whether to laugh or cry. You will be greatly missed by a lot of people uncle Mack, rest easy.

This is indeed sad news, while I don't have a particular memory that stands out, I always remember what a kind gentleman Mac was, and his ready smile. I always enjoyed going to visit the McCreerys. You all will be in my prayers.

When our dad had open heart surgery, in 1977, Mac came to "Parker Photographs" to assist Lance so we could honor our commitments to our customers and clients!! All along he was running his own Studio!! Our family has many wonderful memories with Mac and Carol. A wonderful man has joined his fellow "PPO" buddies in heaven. Dear Carole and family - we have thought about you so many times and miss all the good time we shared. We may not see each other but know that our hearts and prayers go out to you. The one funny time we remember was putting in the stone around the swimming pool and mixing the mortar by hand in the mortar box. Phil was so tired and I offered to buy the mortar box so he could cut it in half and never have to use it again. All Mac did was laugh.Love, Phil and Becky Rowe
