Don always treated me like family long before I became part of the family. He and Nadean were so good to me when Jerry got sick in Fl. Opened their home and hearts to both of us. I do not have any siblings of my own but have always felt 'sibling' love from Don. Dearest Don if possible give my Jerry and Sandie big hugs.....love you, Paula

We will always remember our "Perky", a true gentleman, a kind spirit, a great dancer, and a faithful friend. We all shared so many memories for so many years. Nadine and Don were so perfect together and we can just imagine him now with Nadine in his arms dancing once again. Only now, it will be forever. We loved you both and you both will be greatly missed. Jenny Willis David and Betty Armstrong
