I have many wonderful memories of time spent with my family picking the crops at PopPop's farm in Taylorsville - the corn shuck fights us cousins had were amazing!! Uncle Merv had to come and save us one day when we got the old blue & white truck stuck in the ditch while feeding the pigs! ;)I also remember a snow storm that must have been in the 70s that stranded us at Uncle Merv & Aunt Mary's for the nite - Keith and I joined his friends tubing down their back yard & trying to miss hitting the dog kennel and the shed - the next day we had to rescue their toy poddle when she went out and slid all the way down the hill! ;)All wonderful memories and I'm honored & blessed to be part of this wonderful family!Rest in Peace Uncle Merv - we will always love you, miss you and thank you for the wonderful memories that we will cherish forever!In Loving Memory!Shorty & Michele Wilson

I will always cherish the memories of when I visited. We would spend alot of time fishing in the lakes. We talked and laughed. And I used to bring deer jerky when I would visit and he loved it. He and Mary treated me like there own. I will miss him. He will always be family and I will carry his memory in my heart forever. Thank you for being my friend and mentor
