Ed was my youngest brother. He and Jerry and myself spent our childhood growing up in Plainfield Ct., a town he dearly loved. We all shared so many memories and he so liked to reminisce about the 'good old days'. We spent hour after hour reliving great times. But what a joyful life he had: a devoted wife, Mel and his children Melissa and Ed. His family was the core of his love and in later years he doted on his grandchildren who gave him so much joy. His indeed was a rich and full life yet his passing was much too soon. His sense of humor will always be remembered by those who shared a day, a month or longer with him. His many friends, especially Eddie Gouyette, his closest, will attest to the shenanigans they shared when they worked at EB. His love of sports from playing Little League, when our father was the Manager, to later managing his beloved Dodgers in Plainfield gave him a lifelong hobby of following sports of all kinds. He enjoyed a happy childhood, a closeknit family, being a proud Husband, Father, and Grandfather -- what more could any man ask for. My brother Ed was indeed blessed and gave so much to those who were fortunate enough to have crossed paths with him. He is safe now, safe in the arms of Our Lord. I will miss him forever. -- His brother Bob

Ed was such a beautiful man. He loved life, Elvis, sports and animals. I will forever remember him around the camp fire singing, laughing and joking with all of us. He will always put a smile on my face. Mell, thank you for sharing him with us. David will miss his sports talks with .Ed. He will be greatly missed.

Eddie and I would meet in the summer at Baker's Dozen in Plainfield, talking about our winter and sharing updates and memories of friends. Eddie was always upbeat and loved talking about his wife and children. I knew he had some health issues, but certainly didn't expect to see his picture in this mornings paper. It took me by surprise. I will miss his infectious smile and laugh. Rest in peace my friend., Cheryl Hurley, Plainfield, CT
