Rest in peace grandpa. You have always been a wonderful grandfather and the best father that my mother could have ever asked for. All you did for our family and our country all your life will never be forgotten as well as all of our precious memories that we have together. Save me a spot! I'll see you again someday. Gone from this earth but not from my life, eternal love from your oldest granddaughter, Jennie

I am sorry to hear of Clark's passing, and all of the family, Jean and Terri and Richard and all the kids, you all have my deepest sympathy. He always had the biggest bear hug for me whenever I saw him. I am happy that I did get to see him this last summer and get a big wonderful hug I will always remember. He had great stories too, and lots of funny farmer wisdom. He was a great guy and I will miss him. Love to you all Laurie Hill

Mom and I were with dad when he passed, his wishes were simple, no life support, no funeral, no visitation, no flowers, no carry-in dinner, just simple cremation, just like Dad, nothing fancy. Thanks to everyone for your condolences.

He was a very kind quiet frisky old guy....and I definitely know his love for gardening is being used well. May the family find comfort in his fond memories.
