Birdee Mays lit a candle in honor of Harold.

I have good memories of the vacations Harold would take Mom, G.G. and myself on when we were little, he blessed us with wonderful education and fun yearly vacations...one of my fav. was when we started going to Sea Side Heights in New Jersey, years before the famous show Jersey Shore came on MTV, was a lot different now, but remembered a lot of the boardwalk and rides being there...may god rest your soul....and may god give strength to Jane (Mom) and G.G. and all the other children he had....he had a full long life :) also we went to a drive thru zoo, where animals come up to car, think that was in Mich.? and he even had to stop in Philly for his main office on our way on vacation at the head office for Tools sales and service, I got to see my 1st homeless person, lol, guess we seen it all. Imao R.I.P
