I loved going to Uncle Dons house in the summer. His yard was so pretty in the back and felt like carpet, didn't have to wear shoes and he would let us get things out of the garden and gave us real Coca-Cola to drink in glass bottles! He was my dad's only brother and I know my dad will miss him tremendously! RIP Uncle Don I love you♥Kelley (Carlisle)Rincker

My sympathy to the Carlisle family. I worked with Don on criminal investigations at the Indiana State Police. He was always fun to work with and always a professional. He treated everyone with respect. David J. Crose, (I.S.P., First Sgt., retired, P.E. 1365).
