I worked with Linda for many years enjoying our shared experiences/energy in Cassadaga and beyond. My weekend was never complete without her hug. Many days she would tell me of a dream she had of me. Sometimes it was prophetic, some times zany but mostly encouraging, protective, and inspiring. These are the words that most reflect my memories of Linda... Prophetic, protective, encouraging and inspiring. My life was all the richer for your presence my friend. May you be sweetly resting with angels or dancing in a rock and roll heaven. Either or both, I can see your half grin and mischievous twinkle breaking thru the clouds to still shine in our lives. I love you precious lady.

Linda Charles is a one of a kind purposed. She studied diligently to become an ordained Minister of Spiritualism and in that capacity offered council to many a person on this earth plane whose life was in turmoil over one situation or another. She is loved by many from all walks of life from the east to west coast as well as north into Canada. It was a privilege to have had Linda in my life as a student and then as a sincere friend. Onward Linda in your journey of life in the next dimension. Blessings, Rev. Marilyn J. Awtry, NST.

Le Ann and family, I am really sorry about Linda. I will always keep the memories in my heart of all the wonderful times we spent together at your house in Toledo and at mine. Yes, there were many days spent at your house, and your mother was always so kind to me and with us being best friends, your family always made me feel welcome and like part of your family. We always thought we were anyway, remember Le Ann, lol. I will miss talking to her on the phone, and catching up on how your parents were doing. I will keep you all in my prayers. If it were possible, you know I would be at your side during this time in your life. I really would like to be there for you. Anytime you need me, I am only a phone call away. You know after all these years, you can call me anytime day or night, as I will be there to talk like we always are. I miss you all. Give your Father and Brother and Ronnie my condolences. If you need a shoulder to cry on Le Ann, call me whenever! God bless you my dear friends. Romans 3:23,6:23,5:8 and 10:13. John 3:16. Any questions, I would be privileged to help you with the answers, dear friends!!!
