Tony was a Great Friend and we made several motorcycle trips. The first one was to Key West and was the first time that Tony and I really spent time without our Loving Wives. I must say that that trip would not have been as enjoyable without Tony, as we had a Blast. The biggest thing from that trip was that the last thing that Tony did at night and the first thing he did in the morning was to call Terri. This meant a lot to me as that's what I do with my Wife. I always said that I would go anywhere with Tony and that's something for me as I do not like traveling with anyone but my Wife. There will not be a time that I am out Riding that I will not miss You Bro! Sunday Football and NASCAR will just never be the same without Tony! I know how much Tony Loved You You Terri! Penny and I will dearly miss You Tony! All of Our Love, Penny and Jim "Tugs" Garrett
