We dated for a while we hung out at Brian house doing what teenagers try anything stupid snuck out my window to be with him I thought the cops were looking for me so he hid me under his bed answers the door and the cops were at the wrong house looking for someone else but he had my back and was willing to hide me. He was a great guy so sorry that we didn't stay in touch but like most teenage loves we drifted apart and I sure will miss his music..
