We met at Dialysis. Barb was always so cheerful. We always greeted each other with a hug. But our shift changed so we didn't see each other very often. She was so knowledgeable. She taught me about natural things that would have without depending on medication all the time. You are out of pain now. Rest well Dear one. Peace to Ted and everyone who loved her.

We met Barb at Dialysis. She was always cheerful. I learned a lot from her about using natural products instead of medications. She was very knowledgeable. Our shift changed so we didn't get to see her as much. We always greeted each other with a hug. Barb, your suffering is over, rest peacefully dear one. Hugs to Teddy and all who loved her!
