Jennifer, Melissa, Tamara, and Jonathon. I am sorry about the passing of your father, my favorite first cousin. I have fond memories of reunions, times at grandma Pearl Figert's house and visiting your home on the farm when you were younger. He felt like an older brother. He will be missed. You are in my thoughts and prayers. A fact not mentioned in the obituary was that he was a twin and that his twin died at birth if I remember correctly what he told me many years ago when I was at your house. I think he said his twin was a sister. He gave no name so she might have died before birth. Roberta would have known. Sincerely, Mrs. John W. (Deonna Figert) Baxter, Goshen, Indiana

Lowell was a very special person to me besides being my brother-in-law. Always a smile on his face and we were always happy to see him come to our home, in FL and in NY. He will be greatly missed by this LaPierre family, only wish he could have been with us longer. He loved his family very much and was always showing off his latest pictures of them all. I am so sorry for your loss of your dad and grandfather. He will be always be remembered by this family with fondness. Marilyn LaPierre

We weren't privileged to know Lowell but can see, from his photo, how much he looks like the Figert side of the family. Our condolences to his loved ones. - Ervin and Margaret Figert of the South Dakota Figert family.
