My dear Godfather Uncle Chet... it is sad to see you gone but so glad you are with Aunt Marge and all your family now. I am grateful for the many years you were there for me and my family and glad I was able to reciprocate being here for you coming to Florida for well being checks and making sure you were cared for. My heart is heavy but also at peace knowing you are no longer lonely since Aunt Marge left. Rest In Peace. Until we meet again I send my hugs on the wings of the birds! I will try to find those bushels of twenties, wait you changed that to fifties recently!
