Rhonda was one of my mothers nurses when she was in Hospice House in the Villages. I couldn't have asked for a more caring person than she. She along with the others gave mom excellent care. She was a wonderful person taken from this world too soon. Prayers to her family and friends. She will be missed. Ruby Stroud Lake City, FL.

This comes as a great shock to me. I met Rhonda when I worked for hospice and she was a great performer of her skill. I also signed up for my health insurance with her. I would go to Renniger's Flea Market and always stop to see her. That smiling face and welcome personality. God has our angel now. God speed Maxene Saunders

Was so shocked to hear this. Rhonda was my former neighbor and a good friend. Was sad when she moved away. Also became my insurance agent. Always had a great smile and hug for me. My condolences to Keith and the rest of her family.
