My Uncle "Gual" -- how you will be missed. You will forever be remembered as one of the funniest, most caring, most loving men I have known. Always my favorite uncle - getting to speak with you on the phone or even better yet, getting to visit with you were cherished moments. I just wish there were more of those. I am so happy that my husband and children had the opportunity to have you be a part of their lives. We still talk about you having fun checking out Dink's police gear! Rest well, Uncle Al - and know that you will forever be in our hearts. With love, "Pretzel", Dink, and family
