I remeber he and I were racing with him on a bicycle and me on foot. We took off... I was looking at my feet running and hit a parked car... We would still talk about that every time I would See him. You are forever in my heart You are both hero and cousin. I love you. Tammy

I remember when he was small, if you offered him a cookie he would want two. Then he would put both of them in his mouth so he had chipmunk cheeks. I love and miss you Derrick!
