Amy Stellutto lit a candle in honor of Betty.

I know I can speak for Todd and Michelle, too, when I say we were lucky to have Betty Lou for a mother-in-law. She loved to talk, dance, shop, walk and celebrate Christmas with her family. She absolutely beamed whenever her children and grandchildren visited. She will be missed very much, and we will continue to share our memories with her grandchildren so they know what an amazing woman she was!

Please accept my condolences in the death of Betty Lou. I grew up knowing the Miles family at Tabernacle United Presbyterian Church in Youngstown at the corner of Wood and Walnut. The twins and I were the same age and were in Young people together along with Mary Jayne. I then work with Betty Lou at Mahoning Bank until around 1996. Betty was a great worker. My sisters and I have a lot of great memories of those years. Eva Lightbody Reeves Doyle.

I remember the first time I met her. I was in 6th grade in a new school and became friends with Dominic. I was invited over to their house and Dom and I ended up playing cards with his mom and sister. She was nice to me every time I saw her. She always seemed happy to see me, Goose, Brian, Bart and Chuck whenever we went to their house. We spent a lot of time at their house growing up and one of the reasons was because she always made us feel welcome. She was a wonderful person.
