Heather Hidock lit a candle in honor of Kenneth .

My heart will forever be connected to Ken. He was an easy man to love and talk to. I am blessed to have known him as a second father in my life. I enjoyed our many conversations from golf to politics...which was always fun since I was a Republican...Lol Playing golf with him was always a treat, yet never long enough. He taught us daily how to be true to ourselves and live life to the fullest. I have never seen a man fight harder to stay with his family, but in the end his earthly body was no match for his call from His Heavenly Father to come Home. He will forever be missed, but his memories will live on in us all. His legacy will continue to show the world how great this husband, father, grandfather, uncle and friend was to us all. Cheers to you Ken Wilkinson and I know we will all see you again. I Love you. Heather Hidock

Though I haven't seen Ken in many years, my heart is warmed by the fond memories of not only Ken, but Sandy too. My mother, Louise Eads, always felt like her and Ann Wilkinson made this union and created this beautiful couple , which, in turn, created this family that has lasted all these years. I believe your wedding was the very first I ever attended. Ken and Sandy made such a beautiful couple! Though I won't be able to attend the service, my heart and prayers will be there. My deepest condolences to Sandy and family. With love, Vicki Eads McDonald
