To my Uncle Bob,I will miss our frequent conversations and all the thoughts we shared. Whenever I called, you made me feel so special and cared for.I always looked forward to talking with you as you always shared some memory of times we spent together or a memory of something you and my dad did together as you were growing up.No matter what you were experiencing, you always had a positive thought to convey.Some 60 yrs. ago, I remember the first time you and my aunt invited me to stay overnight. In the morning, just you and I went out to breakfast and you told me to order anything I wanted! I asked you what French toast was and sure enjoyed my very first breakfast out at a restaurant in new hartford with my uncle.From that memory with you, I set the tradition of frequently having my nieces or nephews stay overnight and we would always go out to breakfast!Your cheerful voice, your enthusiasm in our conversatios, and how you always made me feel so special are forever in my heart and made a difference in my life! with love of cherished times with you! Cindy

Thank You God for blessing my mother with this generous man. He married my mother with 5 children to raise and couldn't have been a greater father and provider, My heart aches, but I do find peace in knowing he was ready to go to the Lord and be once again with my mother, for he reminisced frequently what a full , blessed life he and my mother had lived in their 50 years of togetherness. Peace and LOVE always Bob Orie. ILYYour daughterCheryl
