David's smile and sense of humor will be sadly missed but it lives on in his children and grandchildren. With my deepest sympathy and love, Carol

Years ago before Rhonda met Dave she always said she wanted a man that doesn't smoke or drink. Must like to ride horses and be a christian. Well Dave was all of the above and he seemed to like Elvis, which was an added bonus. I always looked at Dave and Rhonda's fb posts of all the wonderful things they did together. They were always happy and smiling. It always made me feel so good to see how happy he made Rhonda. I will never forget when we went to Buffalo River trailride. I was riding a big tall horse and was needing a boost to get on before the group left. Dave gets off his horse and pushes me up there effortlessly, then gets back up on his horse like no big deal. I have always appreciated his help. His smile was beautiful, he spoke in such a kind manner. Dave made my friend happier than I've ever seen her. I know we will all be trailriding in heaven very soon!

This is my personal memory of David. He was the spark that fired my passion for racing when I was a kid. Watching him race stock car really hit a core with me I spent all my energy learning auto mechanics and racing motorcycles. I want to thank you David for touching my life. My deepest sympathy to David's family, he will be greatly missed. Tim M.

Thank you so much for sharing, what a lovely tribute! He built his first racecar when he was only 15 years old, even welded the rollbars himself and had never welded before then, only observed! He was so talented, there was nothing he couldn't do. I miss him dearly! Rhonda, Dave's wife

I never knew Dave's Last Name, Never needed to. And I'd venture to guess not a lot of us at work did. When I started driving outta North Lake 5-6 yrs ago I inquired who he was. They said, that's SUPA DAVE, He's our Mechanic. Not just Dave but SUPA DAVE ❤️. As a daughter of an Master Mechanic myself, It DIDN'T take long for me to understand how he became SUPA Dave!. Thank you for Sharing him with us all.. Gracie #7218 😊
