Richard C. Zameda

MAR 24, 1959 - JUN 8, 2020

Richard (Richie Wolf) Zameda, passed away peacefully on June 8, 2020 with his family by his side. Richard was born in Chicago, IL on March 24, 1959.

Rich was a charismatic man that could light up a room with his infectious smile. He was always willing to lend a hand to those he loved. Rich was the definition of a people person, striking up a conversation and connecting, on all sorts of levels, came naturally to him. He could dominate a room with his boisterous voice and contagious laugh.

In his free time over the years, his hobbies have included fishing, darts and motorcycle rides. He had a classy taste for the finer things in life and loved a good home cooked meal, often made by he himself.

Rich held a successful career with the City of Chicago as a graffiti blaster for 20 plus years. Prior to that he had his own painting business and was heavily involved in his city's politics.

No matter the level of stubbornness that could pour out of Rich, he was whole heartedly a family man, that chose to love and support his entire family.

He will forever be the life of our party!

Richard is survived by his loving wife Anna Romanyk and their children, Nicole Wisniewski (Jason), Nichole Hoskinson (Aaron), Shane Burnett (Samara), Brandon Burnett (Ashley) and Justin Zameda (Ciara); his brothers Eugene Zameda, Wesley Zameda and Michael Musolff.

Richard is also survived by his twelve adoring grandchildren.

Richard is preceded in death by his loving parents Leo and Stella Musolff.

To respect his wishes, a private immediate family memorial will be held.

We went to Gray together, a childhood friend who I will never forget. Always inviting us out to Florida when he moved there and teasing me of the warmth while I complained of the cold here .A heart of gold to those he knew and loved. God gained a Angel. Your Wolf pack is mourning your loss. My sincere condolences to his family. He was one of a kind. Love & Miss you Big Guy. Rest Peacefully my Friend

I knew Rich from the 1st grade at William P Gray. He was the bass player in my band back in grammar school. We were friends for many years and had so much fun in high school and grammar school. Rich was able to get me into the company he was working at in 1979 and I am still there, almost 41 years later. We drifted apart over the years, but I will always remember him. I can still see the smile on his face when we would sing the "Cowboy Song" by Thin Lizzy. He loved that song. Rest In Peace my friend.

Richie was blessed in so many ways. Especially with his wonderful family that he loved so very much. But I've been blessed with Richie. He invited me in when I was down and out, as he did with so many others. He always lifted my spirit. He was my friend. He was my brother. "The Runt" with the heart of a giant. I regret not visiting him more often as I should have. I miss him terribly already. He'll always be in my heart. We will remain brothers forever. -

Richie has been a good neighbor and friend. His love for life and family was special . He will be missed by many people and especially by us. We have know him a short time, however it seemed like a life time. Richie was such a joy to be around and listen to his stories and love for his family. He truly will be missed by us and especially his wife, sister-in-law, children, grandchildren, nieces and nephews and friends and neighbors. R.I.P Richie, your friends, Bill and Donna Scott
