SEP 7, 1935 - MAR 9, 2021

Dianne Freed Hungarter passed peacefully in her home on May 9th with her husband, Lou, and family by her side. Dianne and Lou would have celebrated their 66th wedding anniversary in August of this year. During that wonderful marriage, they celebrated life with three daughter's Kathy, Linda and Susie and their grandchildren and great-grandchildren. She is survived by her siblings Chuck, Sally and Bette. Her two sisters shared a special place in her heart and were with the family at the end of her journey.

Dianne's life was devoted to her children and husband. She will be remembered as a woman of great courage and wit. Her passions included cooking, painting, music and family celebrations and gatherings. Her laughter and love will live forever through the lives of those who knew her.

Susie shared a photo to the **Tribute Wall** album.

Mom taught me to appreciate every single day, to see the glass always half full not half empty, to find the good in others even when you had to really look hard. She taught me to give 100%, to always help out whoever you can, to be kind and patient, and strong, and brave. To love with all your heart because the love you give will come back to you and more. She taught me to see the beauty everywhere around, how to garden, how to paint, and how to cook and entertain. She will always live on in me as these are all the things I love as well.
