Sweet lady that I am glad I got to meet. God has another angel in heaven. We will see you again on the other side one day. You will be missed but knowing your walking the streets of gold will magically help us to cope and continue our journey for the reunion when we will meet again....Love the whole family. Mark Golden

Such a special aunt that was the youngest in her family. Loved all the times she came through NC to stop and visit her sisters and then on to Virginia to see her other sister and brothers. I know she is rejoicing and in no more pain today. Even though we couldn't be there, you all have been in our prayers. May God give you comfort, peace and strength in the days ahead. We love you all!
