Elizabeth Ann "Betsy" Schott

JAN 6, 1933 - APR 24, 2022

Elizabeth Ann "Betsy" Schott born on January 6, 1933 graduated to Heaven April 24, 2022. The life that she lived could only have been planned by Jesus, whom she loved until the day she went home to be with Him. She first met Him praying at her mother's knees when only a child. At the age of 9 she went to hear a missionary speak and sensed a call to be a missionary, this call led her to Cuenca, Ecuador. While there, she founded a bilingual School. Latest count there were 1,200 students at that school. While in Ecuador she met another missionary who challenged her to surrender her life completely to Jesus. Betsy's life and ministry was a life of holiness. Her life and ministry were completely changed at this point. After 3 years there she developed a heart condition causing her to return to the States. After returning Betsy stated "the Lord healed me" but she never lost her heart or love for missions. Back in the states she began traveling from church to church holding 7 to 10 days revival services.

Hundreds of lives were changed as she preached and taught what it meant to live a surrendered life to Jesus. Her message was to be cleansed and filled with Jesus. There is no way to adequately describe the extent of Betsy's ministry. the many people she touched, many called to preach, called to be missionaries, and grow as Christians. Seeing them falling in love with Jesus. For 17 years she traveled doing evangelism, then a change came.

She contacted the district superintendent of the Wesleyan Church in Florida, a local church called her to "try out." She became the pastor of the Lakewood Wesleyan Church and was there for 23 years. Her burden to reach her people with Jesus' love and for missions deepened during those years. Lives continue to be changed. She preached with simplicity but always with depth and love. Betsy always preached with a beautiful smile on her face and a flower in her lapel.

JAN 6, 1933 - APR 24, 2022

The themes of her ministry were Holiness (holy living), love of Israel, Missions, and Faith-Promise Giving. Jesus used her life completely. Then retirement, she didn't like that and it only lasted one year! She then became the Youth Pastor at the Haitian Church in Mount Dora, FL called Victory Wesleyan Church. For 7 years she beautifully taught and mentored those special young people. It then became evident that short-term memory issues were developing. As her condition continued to deteriorate it was amazing to witness her love for Jesus and her strong determination to share Him never wavered. Despite her serious Dementia, Betsy continued to witness for Jesus. Being able to see Jesus through Betsy as the dementia stole so much from her has been one of the biggest blessings through it all. Jesus has continued in a marvelous way to communicate through her as only He could do. Two nights before she went home to be with Jesus she said "I'm a minister, I really am" and she was! Her testimony continues.

Betsy is survived by her sister Phylis, her nephew Philip (Sarah), her nephews David and Jonathan, her nieces Rebekah, Bonnie, Kathleen, Jill, and Joy, her grandchildren Alix, Jeff, and Cindy, her cousins Doris and Norman (Pat), and best friend and sister in Jesus Sue. In lieu of flowers memorial gifts can be sent to All Nations Church which is a continuation of her ministry at P.O. Box 895519 Leesburg, FL 34789

A Celebration of Life Memorial Service will be held on Friday, May 20, 2022 at 1:00PM at 335 Tomato Hill Rd., Leesburg, FL. There will be a reception from 12:00PM until 1:00PM before the service.

I had the honor of knowing Betsy for a very short time but I could look into her eyes and see the sweet child of God. She would speak words of wisdom and praise her dear Jesus. She always smiled when talking about our Lord. I was truly blessed to be in her presence. She was outgoing in expressing her feelings but that was what God had planned for her. (She even taught me how to wink.)I only wish that I had the opportunity to have known her many years ago. I witnessed the love she received from so many individuals. Her smile would light up the room. May Betsy be at peace amongst the angels. Betsy was truly a blessed lady and such a shining example of a Christian. I miss you Betsy.

We had the honor of meeting both Betsy and Sue a few years ago at Camp Sychar in Mt. Vernon, Ohio. What a joy it has been to stay connected to Betsy via Sue and hear the amazing testimonies of Jesus living through sweet Betsy in spite of her failing health. Her love for Jesus was evident when she prayed! We are blessed to have known her. Greg and Tanya Woods
