J Jewell lit a candle in honor of Terry.

Such a nice person. Every time he saw me at the store he would ask how jimbo was doing.. I will never forget the night I took jimbo over to see Terry (they had not seen each other since jimbo's accident landed him in the wheelchair). As I got out of the car and went to let the rampdown for Jimbo To come out I saw the biggest bear ever like within feet ... I said Terry jimbo can't get out there's a bear there and he said aww he's like my pet... I said I only seen bears in the zoo. I am from New York City ... that made Terry laugh .. the bear walked across the street to the neighbors fire pit and just hung out there ... Terry was a very caring person. I remember many nights of the guys shooting pool at the house ... rest In paradise Terry...

My family and I are saddened to hear of Terry's passing. He has been a long time friend and neighbor of ours for over 20 years. He was kind, funny, and always looked out for us. May he rest in peace. Our condolences to the family.
