My dad died when I was 12 years old. My mom, brother and I moved to Mt. Dora soon afterwards to be closer to mom's family. The first people I met in Florida were the Tutins. Jeff, Doug, Scottie, and Louie became my brothers and Mr. and Mrs. Tutin treated me like one of their children. I will always be grateful for this wonderful family. May the Lord bless you and keep you. May the Lord make his face to shine upon you, and be gracious to you. May the Lord lift up his countenance upon you, and give you peace.

Surely want to send love, encouragement, and prayers for Jeff & this entire family in their loss (homegoing!) of Mr. Tutin. There's always a sadness that is part of losing a precious loved family member, but also great joy in what God is doing and the hope & promise of eternity. The Tutin family has been a dear example and expression of love, caring and encouragement to me and my family for 50 years. Always living out a most gracious way of making you feel a part of their family. God's blessings to each of you! Love, Gary Davis
