John D. Bruninga

JUL 27, 1956 - APR 6, 2023

John Dallam Bruninga died April 6 in Tavares, Fla., after a brief illness. He was 66.

The long-time resident of Nashville, TN., moved to central Florida in 2014 with his wife, Josefina Olivia, shortly after his retirement from Steinhouse Supply where he worked for many years. John was a graduate of Hillsboro High School (Go Burros!) and became a part of Nashville's rock music scene in the late 1970s, playing guitar for the band Silver Tongue. John grew up inspired and enthralled by the great rock and roll of the 1960s and 70s, but the Beatles---especially John Lennon---were his favorite artists. He still has an extensive record collection that he has kept in pristine shape.

A committed advocate for wildlife and the environment, John, who was born in Miami, spent much of his retirement enjoying the birds and natural beauty of his home state of Florida. He obtained a certificate in Florida's master naturalist program and was certified to do water quality testing. He planted a beautiful yard with wonderful flowers and other vegetation native to Florida and helped educate his neighbors on the importance of conserving water and creating habitat for native birds and other animals. He was also a member of the Lake County Conservation Council and volunteered for the local food pantry. Although John valued his time at home with Olivia or out in nature, he was a veritable people person who could charm anyone with his smile, his humor, his rich voice and his ability to connect.

In addition to his wife of nearly 25 years, John is survived by his son John Jr. (Melissa) and grandson, Jay; stepdaughter Marcela Fournier (Jose) and step-grandson Jordan Fournier. He also leaves behind his sister Susie and her son Dominique Mitchell, cousin Kathy Galvin (Jim), nieces Jamie Galvin, Jenna Galvin Nelson and Cassidy Bruninga, as well as other family members, including Katrina Haley and Carol Beswick. His parents, Beverly and Hank, and brother Steve preceded him in death.

How SPECIAL it is for us to remember John, his kindness and his genuine interest in others! Our times together were relatively short but one could immediately sense his compassion & love for Josefina & the beauty in life. In the middle of his own struggles, John was asking about us. Several times he would send a verse or a prayer of encouragement. Tho miles separated us, his spirit was close. His love for Josefina was beautiful, an example for us all! ❤️ He will be extremely missed but we are thankful to know he is at Peace. HEAVEN IS SWEETER ALL THE TIME 🌹 Tom & Karen Firestone

My best memory is the First time meeting you in person, although we've spoken by phone, & have seen photos, I remember telling you as soon as you walked in the Hospital room to see your son John Jr. I told you how I could have picked you out of a crowd, twins I tell you, made me smile & you smiled too! 🙏 I also remember how much you loved wild life, & we're so excited to make a donation in your sons name to a wildlife conservation of his choice one year, & I remember how calm your voice always sounded in person & by phone when you & John Jr. Spoke. I Wish me, & my children Sarah & Tyler got to know you more, but grateful for the time we had, & blessed & proud to be part of the Bruninga family. Rest Easy. 🙏

John B, as we called him, was a great guy. He worked with us for 19 years, retiring to move to Florida. He was always very pleasant, even tempered, dependable, a great company man. I am sorry to hear of his passing, sending best wishes to Olivia and the rest of the family. Jim Steinhouse.
