JUL 10, 1975 - JUN 13, 2023

Misty Dawn Troxell passed away unexpectedly Tuesday, June 13th, 2023 .

Born in Duncan, Oklahoma on July 10th, 1975, she married Glenn Troxell on July 11th, 1992 and through the years had and raised three beautiful children. If you were lucky enough to know Misty you would know she was the glue that held our family together and is the most amazing human being you would have known.

Those who will miss her the most are her loving husband, Glenn Troxell, her children Clay Troxell, Christin Troxell, Chad Troxell, and her three grandchildren with one on the way. Her mother Lisa Gillmore, her father Darrell Houchins and step mother Cindy Houchins, her sister Mandy Stewart and her husband Nick Stewart along with their children Marshall Stewart, Georgia Stewart and Justin Stewart, her sister Jennifer Houchins and her son Darin Prater and his wife Megan. Her grandmother MaHatchet. Along with many aunts, uncles and cousins. Her lifelong friends Ella St.Pierre, Rod St. Pierre and their three children.

She will be reunited with her brother Chad Houchins, her step father Denny Gillmore and grandfather PaHatchet.

Misty was loved by so many. She was a best friend to all and a second mom to many. She will be dearly missed by all and forever in our hearts and memories.

Misty had the kindest heart. She took us all under her wing. She was mama bear for everyone. I'm so glad to know my last memory was hugging her as I left O'Keefe's during one of the downtown events. You will be missed.

My name is Peggy I'm Misty's moms sister from another mister ! Misty ad her family are my extended family. From the first time I came to Florida with Lisa, Misty and Glen treated me like family! I loved Misty's attitude and personality! My heart is broken. I hope all the family can feel my virtual hugs. Unfortunately I couldn't make the trip to Florida with Lisa this time. Prayers and love for all Misty's family. I will be one of many to keep her memories alive and close to my heart. I'm so sorry for all the families loss and pain. Love and hugs

Suzi, Glenn, Christin, Chad, Clay and all of Misty's friends and family --- On behalf of the Wisnoski and Robbins families, we send our deepest sympathies and love to all of you. Misty left such a huge legacy and example for her children and grandchildren to honor for the remainder of their days. I know when my dad died, I learned to ask myself on many occasions, "What would dad do?" It helped keep his memory alive in my heart and gave me direction when I felt totally lost. Glenn, I know there are no words to make your pain less, but please know that our family loves you & your mom and always have. Aunt Carol cried when she heard of your loss. Suzi, you are our sister, and there is nothing worse than seeing your child and family in pain and knowing that only time and love will begin to fill that gap. There's no kissing this pain away. Please know you are all are in our thoughts, our prayers, and may you be filled with all comfort and grace and lots and lots of memories that bring you peace. The families of Buddy and Carol Wisnoski, Lisa and Jeff Robbins, and Danny and Ellen Wisnoski

Misty could get a smile out of me no matter what was going on. She had an aura about her that just breathed life into any situation, and created excitement when she would walk into a room. I am a better person for knowing Misty and her memory will live on just as her spirit will be with me. Misty's beautiful soul will remain with those who knew and loved her. She will be missed terribly and I am sure spoke of often. God needed someone unique and special. Fly high Misty! ❤️

We knew Misty from O'Keefe's. She was always such a sweet lady. May the Lord comfort all the family during this time. She will surely be missed.
