Chris, Merideth, and Betsy - your mom will always have a place in my heart. She gave me my first "real" job at SUNY Potsdam. We were just kids then and she treated us all like we were HER kids - made sure we were paid and we had all the food we wanted. Remember the pecan pie? And I'd never had lamb chops before! She lived life to its fullest as her traveling experiences will attest. She left this world with no regrets - she did it all!##imported-begin##Diane (Gokey) Brown##imported-end##
