Michael, Well you know me? I never had to do this before. You always did. Would have done this sooner had to learn the computer LOL. You the reason I believed in LOVE. I miss you everyday, and miss the little songs you made to wake me up. From my heart you made my dreams come true, with every breath I take of my heart I would do it over and over again. I am blessed by you everyday by all the love you gave. Michael since you have joined the other Angels. They really know the special things you and I did, but not the other "special" things we did. That is fine and that is how we work together. That is what true LOVE is about. Michael please do one thing you need to stop taking family and friends to help you up there you did fine down here. I need the Angels down here to help me. Oh ANGEL Michael, one day I heard your voice of an Angel, calling my name to join you, but it was not my time an Angel saved me and said it not your time Jeffrey you a SPECIAL ANGEL. She told me you are still here to make more special angels. Michael you know me I swear I would always be there. I would always care. You know I did but you gave me that special sign to go. I am so glad you did. From this moment I can not wait to live up above with you just give me more time. LOVE YOU ALWAYS JEFFREY. P.S Sorry for the spelling and what I say I tell it from my heart. I just like to say thank you for the true family and friends. God Bless you. YOU ARE MY ANGELS.##imported-begin##Jeffrey Gaul##imported-end##

I didn't had the pleasure of meeting Michael, but I have work with Jeff for many years. My prayers are with you Jeff, Michael was able to have your unconditional love and care while he needed the most, loss is hard to accept and understand sometimes, and I can imagine how great your sadness is right now, but please know that Michael is in a better place now, where there is no more pain or worries. May God give you the peace you need.##imported-begin##Rossie Cosme##imported-end##
