Ralph was one of the best uncles that anyone could have asked for. He was such a kind man and could always make me laugh. I will fondly remember the time we spent together at the Clark Family Reunions, SRU homecomings, discussing Bond movies, travels, and of course being out on a lake on a pontoon boat. My thoughts and prayers are with you, Aunt Ellen. Uncle Ralph will be greatly missed. With love, Marell##imported-begin##Marell Clark##imported-end##

Ellen, I am so sorry for your loss and my heart and love goes out to you in this time of sorrow. But I hope, also, that this is a time of rejoicing. Because Tim made so many people happy and the two of you touched many lives. Tim was a big part of my life as a girl and teenager. He was a great friend to my parents and, well, he was PART of our family. He was trusted and loved and, to this day, memories of him bring smiles to all of our faces and laughter fills the room when we remember. And we remember so fondly. I remember when you came into his life...you changed him. You filled his heart in a way that no other friend could. The two of you made a whole, Ellen. And I'm so happy that you had the time together.##imported-begin##Wanda Lenz##imported-end##

Ellen, Colleen and I want you to know that our thoughts and prayers are with you. Tim was very special person to me and I hold great memories of our families spending happy times together in Butler. Tim always was the life of the party and always made everyone in his presence feel better. I remember his great sense of humor and how infectious it was. Dear Ellen, I am so sorry to hear of Ralph's passing. I know how you feel as Keith died on Feb. 10, 2007. It has been hard, but comforting to know he & Ralph will be enjoying being together with the Lord.. They got along very well at the bank, & had lots of good eats and laughs together in both New Castle & Slippery Rock. Please know I am praying for you in this very trying time. Ellen, My memories of Tim are great..he was a good friend of my parents and attended quite a few of our family functions when I was a young girl. He also went on ski trips with us...and to the Cayman Islands. He had an excellent sense of humor and always made me smile. He was always fun to be around. I remember when he started dating you..it changed him..and in a good way. He was so thrilled to have you in his life, to love and be loved by you. I think of you both fondly..every time I pass your old, yellow house on the corner of Maple and Center Streets (still referred to as "The Taylor's House" by most of us locals). I am sorry for your loss and my prayers are with you during this time. Best to you, Sonya ##imported-begin## Sonya Lenz ##imported-end##

Please accept my condolences on the passing of your husband Ralph. He worked with my dad Keith Delaney for many years at the bank. My dad passed away 2 years ago and I know your loss must be great but rest assured that they are in a better place right now. Not too long ago my mom & I were just speaking of Ralph and talking about the places he and my dad liked to eat in Slippery Rock, which is now where we reside. May God Bless You.##imported-begin##Vicki (Delaney) Luchkiw##imported-end##
