Your dad was active, fun and caring as long as I've known you, Pam. He lived life to the fullest and I feel honored to have known him. These are the toughest days, but when you're better, we can talk.##imported-begin##Pat Mills##imported-end##

Dear Dee Dee and family, I am so very sorry to hear of the passing of your wonderful father. May you be comforted by loving memories, hold fast to them. Remember the things he did and said that made you laugh and smile. The kind words, good advice and those little words that I am sure he told all of you often... I love you. My thoughts and prayers are with you all, Carolyn Stadler##imported-begin##Carolyn Stadler##imported-end##

Dearest Pam: Our deepest and sincerest sympathy goes out to you and Randy, your Mom, Sister, Mel and all the Grandchildren. May you find comfort in knowing that you were so blessed to have your wonderful Dad with you for so many quality years. Remember that he will always be in your hearts surrounding you with love. Healing is a long and difficult process. But trust me when I tell you that the day will come when you will remember the good times, the funny times and some of the fatherly advice he gave to you (whether or not you wanted to take it) and it will bring you comfort and a smile to your face. We pray that your grief and suffering will soon be replaced with the peace and love he surrounds you all with.##imported-begin##Sharron and Ralph##imported-end##

Dear Aunt Betty, Pam and Dee Dee, I was very sorry to hear about Uncle Al's passing and hope you are all doing well at this difficult time. I found out about his death from Aunt Hattie when I called to tell her that Mom had passed away on Wednesday. It's hard to believe that they both died on the same day and even harder to put my feelings into words. I only wish things had been different over the years. Please know that you are all in my thoughts and prayers. Love, Mary Lou##imported-begin##Mary Lou Gehring-Dupper##imported-end##
