Dear Sam, Vera and family, I was saddened to read of Jeremy's passing in the paper. However, I agree with you that he is now free and happy in heaven. I remember him so well. Especially when we put him on the night pump so he could put on a few extra pounds. (It worked too) You were good parents and tried everything you possibly could for him. I was his nurse at Clermont Pediatrics for a long time. Blessings to you! Your friend, Paula Allen Tavares, FL##imported-begin##Paula Allen##imported-end##

Sam, our hearts pour out to you and your family at this time. Only those that have experienced the loss of a child can imagine what you are going through. God watched the death of his Son for the benefit of others, and because of his pain and selflessness in the giving of His son, we can rest assured that Jeremy is basking in his presence in whole & wonderful perfection. With the promise that a reunion is coming. God bless you and know that you are loved.##imported-begin##Verl Shaw & Family##imported-end##
