A man once said, "It is foolish and wrong to mourn the men who died. Rather we should thank God that such men lived." I'd like to thank God for blessing us with Terry Parker, Uncle T or best known as Big T. My condolences to the family and friends. My heart is deeply saddened by the loss of such a wonderful and loving man. Big T, was such a blessing to have in my life. There was never a moment in my childhood that he ever let me down or led me to believe I couldn't accomplish something. I wish I could be there to 'celebrate' his life with everyone that loved him as much as I do. I'd give anything to go back and relive every Christmas, every birthday, every laugh and every memory again with him. May his soul rest in peace. His memory will be cherished and will live on forever in my heart.##imported-begin##L. Diane Wade##imported-end##
