Nicole,This is indeed a sad time, but remember that this is also the season of birth. Mike is now free of pain and is sitting with the rest of his and your departed family members, free of pain and suffering. The hardest part is moving on. It will be a long and painful climb, but you will not have to make that climb alone. you have a big family with a lot of shoulders and we will be her for you always. I may be in Western, NY but I am only a phone call away.Love Always,Phil###imported-begin##Philip Mangefrida###imported-end##

Buddy although you were my nephew (first nephew) you was like my own son! So many holidays we shared together...so many tears, I wish we had more time to make more memories. We never know how much time we have for family or friends. But when God gave you to my sister 25 yrs. ago, he gave a beautiful baby boy to a wonderful woman that loved you more than any thing in this world. She cherished and nurtured you through your entire life.I know that your mama would take your place if she could have one last chance to feel your heart beat or hear your voice one more time. Your heart was always a simple heart, but a pure heart, simple man, but honest man. When things didn't go right, you tried to fix it. You broke hearts, but created smiles. You made us cry, then you would make us laugh. Buddy we miss you and will try to be strong as we celebrate your life today...but the one mother that gave you life and love needs prayer and strength.Buddy send your mama hugs & kisses to be the strong mother she was before. I miss you Buddy!Love, Aunt Valerie##imported-begin##Valerie Price##imported-end##

Goodbyes are not forever. Goodbyes are not the end. They simply mean I'll miss you Until we meet again! It's hard to sum up a life time of treasured memories in one page, but if I had to do it. I would say that; we never had a dull moment. I don't want to go into detail cause somebody could go to jail... (just kidding). Buddy, right now alot people are hurting cause you are not here, but I know in time they will accepct that God was ready for you. Until we meet again... we will miss you and remember you with the precious memories and love you gave us before you left.Love, Rachel,Patrick & Jaden###imported-begin###Rachel, Patrick, Jaden Patel###imported-end###
