It's a shame that you never got around to doing the things that you meant to do. As your son, I intend to make amends! Money, prestige, worldly possessions; "These things mean absolutely nothing! Human dignity and compassion are the sole definition of why humanity will prevail. Upon your death bed, you realized this all too late. You did your best to correct your mistakes. Yet, you failed!! only wish we could have had more time together. With every breath I've taken, with every joy we've shared; I pray that those who have harmed us will take our mistakes and rid us of our curse!!!"##imported-begin##Bryan L. Terhune##imported-end##
