To MY Dad, You will be sadly missed. I remember the times we would set on the front porch and remember all our times together when I was growing up. You were a gentle, calming in my life. I recall how when I was sick and Mom (ETTA MAE) was at work you would hold me in your loving arms and rock me till I fell asleep knowing you were there in your Giant loving arms. I remember when you took me to the emergency room when I broke my arm and took care of me afterwards. How you would take me grocery shopping with mom every Saturday and put me on your Giant shoulders and let me eat Strawberries while up there. I did the same for my Boys. You were a great Stepfather to my 9 Half-sister from Mom's first marriage. Your BLOOD daughter ME (DEBBIE) will miss you. Sorry BERNICE took our closeness away by being so JEALOUS. Your BLOOD GRANDSONS DANNY and ROBERT CHARLES will miss what I had. But I know I'll see you in Heaven with your son GREG. Roger and his FAMILY will miss you too for they loved you for YOU not what you had. WIII SEE YOU IN HEAVEN DAD. YOUR DAUGHTER, DEBBIE##imported-begin##Debra E. Walker Sahr##imported-end##

Charles was a one of a kind personality. Tall in stature and big at heart. He was a gentle giant who treated my sister and me as if we were his blood from 1986 until the last time I saw him in Florida in 2002. A wonderful man with not a harsh word for anyone. A class act that I'm certain is rejoicing with the angels. God bless Charles and his family, I know he will be missed tremendously by all the people who had the pleasure of calling him family or friend.##imported-begin##Roger L Snow Jr.##imported-end##

To My Uncle Charlie; I always loved to sit with you and Dad on our front porch when you and Aunt Etta Mae would come to visit every August from Niagara Falls. You always smoked your pipe and I'd help you light it. I remember your beautiful smile and laugh. I loved listening to you and Dad talk about when you where children. I was sad for you when Aunt Etta Mae passed and excited and happy to attended your wedding to Bernice. I wished you luck and happiness on your new life with her. I'm so glad that you were able to find happiness twice in your life here on Earth. I am not sad today, because I know that when you walked through the gates of Heaven your siblings, parents, and grandparents were waiting on you with open arms.##imported-begin##Nancy M. Uncle Charlie, May you rest in peace. I am Herbert Walker's oldest son and I am married and live in Houston, TX. I have not seen you or talked to you since 1954. I had entertain thoughts of trying to contact you over the past six months and had discussed it with my cousin, Nancy Grigg, one of Uncle Vincents daughters. Our family has always seemed so dysfunctional and we discussed trying to bring everyone together in the near future for a reunion of sorts. But unfortunately, since you have always been so distant from everyone, we decided not to bother you. I now wish we had contacted you.##imported-begin##David L Walker##imported-end##
