We bought the property behind Lois's home in 1983 and never got to know her all that well, but we'd talk from time to time and she was always asking about our two boys and more recently the grandchildren. I'm almost ashamed to say that it's Sept and I'm just learning of her passing. The recent activity in and around the house aroused my suspicions and I was saddened to find out that she did indeed pass away. My condolences to her family... I know Lois is watching over her stray cat family from heaven. Bill, Betty, Trevor & Brad Ainslie Alice Domion

Hello Brummitt family. So sorry to hear of your loss. I wanted to impart some kind words from the bible. God's word refers to the dead as being asleep. When Jesus Christ's friend Lazarus died, he told his disciples: "Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep." John 11:11, 14 Lazarus sister Martha expressed faith in the resurrection of her brother Lazarus, she said: "I know he will rise in the resurrection on the last day." John 11:23, 24 Jesus Christ is the one empowered by Jehovah God to resurrect our loved ones who have passed away in death. John 11:25 So we have hope for God Jehovah and his son Christ Jesus that mankind will one day experience freedom from pain and death. Revelation 21:3,4 Isn't that wonderful to know that our dead loved ones will awaken from sleep of death in God's memory to life in a peaceful world? I hope these words mean something to your family and the scriptures soothe your heart.
