So sorry that Roland passed away and that it happened during the holidays. He was a strong person with great faith and will be with Jesus on his birthday. Roland was also a man of good humor who liked to have a good time and laugh with his friends and family. He was a smart man and good at business - however he never forgot that life was not about work and making money. He made sure he took the opportunity to enjoy the fruits of his labor. I had a lot of respect for him and enjoyed being around him. I did not see Roland for many years, however Jarod said he never lost his humor and still enjoyed life. I know your heart is heavy right now - my sympathies and my prayers are with you. Love Angela##imported-begin##angela##imported-end##
