John and Pat...I was so very sorry to read in our Danville paper about Pete's passing..I had not talked to him since last year..When I lost my husband, Mack..Pete always was very special in my heart since our grade school days at Maple Avenue and D.H.S. too...I always thought of him as my friend and buddy, always...One reunion he came to he gave me a sweet kiss on the cheek and made me feel like such a lady...Those were the kind things he would do and he was just special in my heart...Continuing to pray for you all and his children at this difficult time....He will be missed...
